

## Archery Beginner's Course

### Learn about archery

Archery has been part of our heritage for centuries. From the times of the crusades and Robin Hood, through to medieval battles, our archers have been admired from across the world. The victorians re-introduced archery as a sport and it was a key feature in the early Paralympics. Nowadays it is a sport that is enjoyed by all ages and abilities.

At Silver Arrow we want to introduce you to this very accessible activity. Over four consecutive weeks, we run two hour sessions which cover:

- how to use archery equipment
- different styles of shooting
- different bow types
- archery safety
- how to score

On the Wednesday of the fifth week you will be invited to a club night to meet other archers.

When you have completed the course you will be able to join our private club here or an Archery GB (GNAS) affiliated archery club .

A new course starts each month - check web for details.

On the course please wear sensible flat shoes (eg trainers) and a close fitting top. Several thin layers are preferable to a thick jumper or sweatshirt. Please tie back long hair and avoid wearing jewellery/scarves, etc.
