

## Arrow making for beginners

Date: Tuesday 3 March  
Venue: Edlesborough

Time: 6.30pm - 9.00pm  
Cost: £80

This short course is for anyone who wants to make their own set of wood arrows for the first time.

The evening will show you how to attach nocks and points, use a fletching jig and how to cut the arrows to length.

You will leave at the end of the evening with at least one completed arrow plus all the parts and tools required to finish the rest of the set of six.

The course leaders will also explain facts about arrows - spine ratings, points, fletches and the archer's paradox.

The price includes all the parts required to make a set of six arrows, plus fletching jig, taper tool, parallel points tool and glue.
